

## TIME TO REGISTER!

### eAWB360 Launch Session HOUSTON change to June 16th!

Dear Industry Partners,

As a follow up to the recent “save the date” message for the 2017 eAWB360 Launch Sessions, we are pleased to invite you to register to the first informative event of this year.

As communicated on **July 1st**, up to 12 airlines in Houston (IAH) will switch over to e-AWB as the preferred means to ship air cargo.

This is your opportunity to participate in e-AWB by attending the launch session and be able to engage with representatives from the airport, airlines, ground handling agents and IT solution providers.
